

Missing Church Committee Depositions

(created by Rex Bradford, Jun 14, 2004)

This document lists Church Committee depositions which are referenced in the following two Committee reports, but are not in the 53 boxes of currently-released Committee records:

- **Interim Report** (Alleged Assassination Plots Involving Foreign Leaders)
- **Schweiker-Hart Report** (Book V: The Investigation of the Assassination of President John F. KennedyL Performance of the Intelligence Agencies)

Where page numbers of references are given, this is for the first such reference. In many cases, the deposition in question is cited more than once.
